Policy Letter 09-02

PARTICIPATION IN WING EMERGENCY SERVICES MISSIONS OR TRAINING

It is the policy of the Pacific Region effective 1 October 2009 that members of PCR001 participation in PCR wings emergency services missions or training missions is at the pleasure of the Commander of the wing where the mission is being held. When a member of PCR wishes to participate they must first get the approval of the Wing Commander of the wing conducting the mission either by voice or email. The Wing Commander can delegate this approval to the Incident Commander of the event.

This policy shall remain in effect until rescinded, superseded or incorporated into other directives, policies or regulations.
