MISHAP REPORTING AND REVIEW

CAP Regulation 160-2, dated 30 September 2019 is supplemented as follows: NOTE: There is no PII information contained within this supplement.

5.2.3. **(Added)** Individual Wing Mishap Reporting. All mishaps shall be telephonically reported to the headquarters of the individual wing immediately (within 2 hours of the mishap occurring) using the notification process outlined below, in paragraph 5.2.4.2. The person contacted will notify the remainder of the required wing staff by appropriate means. The Wing Commander is responsible for maintaining the contact list with the Region Director of Safety.

5.2.4. **(Added)** Pacific Region Mishap Reporting. All mishaps shall be telephonically reported to Headquarters, Pacific Region immediately (within two hours of a Wing Commander or Wing Designee being notified of a mishap) using the notification process outlined below in paragraph 5.2.4.2., in addition to the notification(s) required per CAPR 160-2. Wing Commanders will ensure that the Wing Safety Officer or his/her designee shall make this notification. A Squadron Commander may make this notification if he or she is unable to make a notification to the Wing Headquarters. That person will notify the remainder of the list by appropriate means. Only the Wing Commander has the discretion to override the need for telephonic notification.

5.2.4.1. **(Added)** In addition to CAPR-160-2 requirements, the Pacific Region SE, CV or CC will make notification to the Pacific Liaison Region and the NOC in accordance with CAPR 160-2. This is handled at the Region Command level to allow personnel to concentrate on the emergency and notification to the Liaison Region may be delegated back to the Wing Reporting Officer in minor cases.

5.2.4.2. **(Added)** Telephonic Notification Process. The call-in number for all Pacific Region Mishap Reporting is:
